

MIDLAND PARK RECREATION SPONSORS

BEAUTIFICATION DAY

MAY 8TH

RAIN DATE MAY 15TH

In an effort to beautify Midland Park, the Recreation Department is sponsoring a town wide Beautification Clean Up effort on the above date. A number of individuals along with the cub scouts, boy scouts and girl scouts have stepped up to the plate in volunteering their services.

Anyone interested in helping must register by April 30th with the Recreation Department by calling 652-2747.

We have received garbage bags and gloves from Bergen County Clean Communities for this event. If you are in need of supplies for cleanup day, you may pick them up at the DePhillips Recreation Center May 5th, or 6th between 9:00am – 5:00pm. **You must be registered in order to pick up supplies.**

Thank you for your support!
